ENTRY REQUIREMENTS

All cats, kittens and neuters must be registered with the GCCF. Unregistered cats, kittens and neuters may only enter classes in the Household Pet Section. To be effective for entry all Registrations/Transfer applications must have reached the GCCF office, 4-6 Penel Orliou, Bridgwater, Somerset TA6 3PG at least three weeks prior to the show. No Cat or Kitten, Entire or Neutered, born after 19.10.71 with one or both parents, grandparent/s or great-grandparent/s unregistered shall be eligible for entry into the Open Classes. If certificates not to hand when completing the entry form write the name applied for in full and put RAF, (Registration Applied For) in the appropriate columns and forward numbers to the show manager when registration is received.

Exhibitors must complete an official entry form and subscribe to the declaration therein - **No telephone entries will be accepted.** If an exhibit is owned by two persons both must sign the declaration. Every exhibit must be identified on the entry form exactly as recorded on the registration/transfer certificate relating to it. Exhibitors are responsible for entering the correct classes.

Each exhibit must be entered in FOUR classes, one of which must be an OPEN class. For Experimental breeds granted Preliminary recognition by the GCCF exhibitors must provide a copy of the approved standard of points WITH THEIR ENTRY, and state NAME OF BREED AND COLOUR on the entry form.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer certificate) for the cat that is to be exhibited, PRINTING the details carefully to avoid any mis-interpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree and put RAF (Registration Applied For) or TAF (Transfer Applied For) or both, in the Registered No. Box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF. Try and keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show; such a change must not be a change of exhibit.

If you are entering several cats from your household and the owners (exhibitors) differ within that family/household, check with the Show Manager whether using one entry form is acceptable or not and, if it is, indicate VERY CLEARLY which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms but joint owners of an exhibit/exhibits should always use the same form and BOTH MUST SIGN.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) minor spelling errors
- (b) separation of names that should be one word, and vice versa
- (c) overseas title preceding the name of an exhibit, sire or dam, etc.
- (d) full breed number known but not given

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups when it could warrant disqualification of the exhibit from such classes but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

NB. AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show.

INCORRECT NAME OF EXHIBIT/SIRE/DAM/OWNER/BREEDER. If registration was obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT/SIRE/DAM

Omission of Administrative or Breeder's prefix

Incomplete name/unregistered name added

Sire and Dam reversed

Totally incorrect name or names

REGISTERED OWNER

Joint when they should be single and vice versa

(EXHIBITOR)/BREEDER

Totally incorrect name or names

PLEASE NOTE:

1. The exhibitor(s) must be the registered owner(s) of the cat and NOT necessarily the person who actually takes the cat to the show.

2. The breeder of a cat is ALWAYS the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW. These entries will be disqualified. Remember the effective date of all registrations and transfers is the FIRST DATE OF VALID RECEIPT BY THE GCCF, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW. Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned, so always check with the Show Manager if in doubt about which class to enter.

CAT REGISTERED ON THE REFERENCE REGISTER. No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register, as long as this was the only reason for the Reference registration.

Exhibitors can appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble free, not to mention the show checking.

SHOW RULES AND REGULATIONS

The show is held under Licence and Rules of the Governing Council of the Cat Fancy and is open to all. A copy of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orlieu, Bridgwater, Somerset. Ignorance will not be accepted as an excuse for a breach of the Rules.

VETERINARY

Exhibits will be received at the entrance of the Show Hall from 7.30am until 9.30am on the morning of the show. All exhibits must be brought to the show in baskets of suitable containers and must be accompanied by the owner or the owner's representative. Each exhibit will be examined by the clubs Hon. Veterinary Surgeons and no exhibit may be penned before being examined.

Exhibits must have clean ears and coats free from pests. The following will not be admitted: cats or kittens that have been de-clawed; male cats (over 9 months) which are either monorchid or cryptorchid; pregnant or lactating queens. Vasectomised cats may not be shown.

Unfit exhibits must be removed by their owners and entry fees forfeited. If in the Veterinary Surgeons opinion, it is desirable, all other exhibits from the same household and owner shall be debarred from attending the show. The Veterinary Surgeons decision is final.

All exhibits must be inoculated against Feline Infectious Enteritis FVR & FCV (Cat Flu) the full course in accordance with manufacturers recommendations must have been completed 7 days before the show. The Certificate must have been issued by a Veterinary Practice / Hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. This should be properly completed and clearly indicate the identity of the exhibit and the owner, confusion may result in rejection. Cats without valid certificates will be rejected under Section A, unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office. ALL CURRENT CERTIFICATES MUST BE AVAILABLE FOR VETERINARY INSPECTION.

THE GCCF RECOMMEND THAT ALL CATS AND KITTENS OWNED BY EXHIBITORS BE REGULARLY TESTED FOR FELV. CATS SHOWING A POSITIVE REACTION TO THE FELINE LEUKAEMIA VIRUS BLOOD TEST OR THE FELINE IMMUNODEFICIENCY VIRUS BLOOD TEST MUST NOT BE SHOWN.

PLEASE NOTE: Homeopathic vaccination is not acceptable for the purpose of showing.

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.

2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

PENNING OF EXHIBITS

The pen may be wiped down with cottonwool dampened with any non-toxic disinfectant before putting the exhibit into it. No sprays of any kind are allowed in the show hall.

Tallies which will be handed out at the entrance to the show hall must be hung round the exhibit's neck by narrow white tape, ribbon or elastic. Each exhibit must be provided with a white litter tray and clean, plain white or near-white blanket or blankets, without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets are not allowed, but white Vet-Bed or like material with white or green backing may be used if preferred. A hot water bottle or heat reflecting material may be used, provided they are covered by the blanket in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging commences at 10am and may not be returned until 1pm. Judges are instructed to pass any pen that is distinguished in any way.

Other than official notices or award cards, no written or printed matter may be placed on competitive pens.

Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on the condition that the club shall not be held responsible for any loss or damage to exhibits, boxes or baskets or in any other way.

The Show closes at 5pm. No cat may be removed from its pen before this time. This rule will be strictly enforced.

REFUNDS

Cancellation of entries must be in writing.

Full entry fees will be refunded for cancellations received prior to the published closing date, thereafter a percentage of entry fees may, at the discretion of the committee, be refunded for entries withdrawn on veterinary grounds, (a veterinary certificate must be provided). All refunds will be posted after the show.

CORRESPONDENCE

All correspondence must be accompanied by a stamped, addressed envelope. Any complaint related to the Show must be forwarded to the Show Manager within seven (7) days of the Show.

JUDGES

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit.

GCCF RULE ON COUNTERSIGNING OF CERTIFICATES

In the event of a change of an Open Class Judge occurring after the closing date of the Show, and provided that the Exhibitor informs the Show Manager prior to judging that a certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge who shall judge the cat and if the cat is considered worthy, countersign the Certificate which shall then count towards Championship status.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, and where the actual entry has been made and received before the date of the first show, then at the subsequent show this judge can be regarded as a replacement judge for the purpose of requesting a countersignature.

CLUB SHOW RULES

No exhibitor may remove an official notice from a cat's pen.

All exhibitors' property is left in the show hall at the owner's risk.

The Committee reserve to themselves the right to:

Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
